*A Quarterly Newsletter for Licensees*

Vol. 152 | August 2022

## NEWS & UPDATES

### Fingerprints Are Due this Month!

If you have already completed the Texas CPA fingerprint-based background check you can breathe a sigh of relief and read no further. However, if you are one of the remaining Texas CPAs who needs to get fingerprinted, you have until August 31, 2022 to complete this legislatively-mandated requirement. To check your fingerprinting status or learn how to complete this requirement, simply follow the instructions on your account page after logging into [Online Services](#) on the Texas State Board of Public Accountancy (TSBPA) website.

### Notices

An email reminder was sent at the end of March 2022 and a second email reminder and a hard copy letter was mailed at the end of June 2022 to those who remain unfingerprinted. After the August 31, 2022 deadline, "Hearing to Suspend" Notices will be issued to those who still need to be fingerprinted. **This may result in your license being suspended.** Use [Online Services](#) on the TSBPA website to update your contact information and ensure you receive important Board communications.

### Exemptions

The only exemption from fingerprinting is to be eligible for and claim a retired or disabled license status with the Board prior to the August 31, 2022 deadline. As a reminder, all non-CPA owners in Texas firms are also required to complete the fingerprint-based background check. Texas CPAs residing outside of the state and Texas CPAs that have a CPE exemption are also required to be fingerprinted.

## Why do I need to get fingerprinted?

Please keep in mind the decision to make fingerprinting mandatory for all Texas CPAs was **not** made by the Texas State Board of Public Accountancy. The Sunset Commission made the recommendation to the Texas Legislature and the Legislature passed a law in 2019 requiring all CPAs to be fingerprinted. CPAs were not singled out for this requirement. The Texas Legislature has previously mandated fingerprinting requirements for other licensed professionals such as doctors, nurses, architects, engineers, pharmacists, lawyers, and realtors. And approximately 20,000 CPAs were fingerprinted as Exam candidates.

**Read the Frequently Asked Questions** (<https://www.tsbpa.texas.gov/licensing/FPFAQ.html>) on the Board's website for more fingerprinting information and updates. ■

## Individual Licensing Fee Increase

**A**s a result of the Board's projected revenue, expenditures, and fund balances, modest fee increases are necessary to maintain the same level of operations for Texas licensees. Effective September 1, 2022, the annual individual license fee will increase from \$70 to \$85 (includes \$10 scholarship fee). All other fees will remain the same. The Board has not increased fees for licensees since September of 2019 and in 2021 the overall license renewal fee was reduced. The Board is self-sustaining. All direct and indirect costs must be paid from what it collects in license renewal fees, firm registrations, exam fees, sponsor registrations, and other collections. ■

## Fifth-Year Accounting Students Scholarships

**T**he Texas State Board of Public Accountancy administers a scholarship program for fifth-year accounting students attending participating Texas schools. In the 2021-2022 academic year, there were 254 scholarship recipients and a total of \$728,584.46 scholarship funds were awarded. The scholarships aid disadvantaged students who need assistance financing a fifth year of college often necessary to meet the educational requirements to take the CPA Exam. Funds are allocated to participating Texas colleges and universities, whose financial aid offices make the decisions on providing scholarships to individual students.

The fifth-year scholarship program is funded by Texas CPAs who contribute a legislatively mandated \$10 fee to the scholarship program through their annual license renewal. The *Public Accountancy Act* provides for the establishment and maintenance of the program. The Texas Legislature passed House Bill 2440 (81st Legislature Regular Session 2009) and Senate Bill 777 (82nd Legislature Regular Session 2011) transferring administration of the accounting scholarship trust fund for fifth-year accounting students to the TSBPA. No administrative costs were assessed by the Board to administer the scholarship program. ■

**Rule Violations:** 501.60, 501.90(7)

**Act Violations:** 901.502(6), 901.502(9), 901.502(11)

Respondent entered into an ACO with the Board whereby Respondent was reprimanded and placed on limited scope prohibiting her from performing audits, compilations and reviews for any public company registered with the Securities and Exchange Commission (SEC) until the SEC lifts the bar against the Respondent from appearing as an accountant before the SEC.

Respondent entered into an agreed Cease and Desist Order with the SEC. Respondent, as the engagement partner on the audit of a Texas school district, allegedly failed to perform critical audit procedures necessary to verify the accuracy of a school district's payroll and construction liabilities. The SEC alleged that Respondent violated Generally Accepted Auditing Standards by failing to obtain sufficient appropriate audit evidence to support the audit opinion; failed to properly supervise the audit; and failed to exercise professional judgment and maintain professional skepticism in the audit of the school district.

**UNAUTHORIZED PRACTICE OF PUBLIC ACCOUNTANCY**

**Help Us Identify Unlicensed Individuals and Firms Offering Accounting Services**

Over the last three years, the Board's Unauthorized Practice of Public Accountancy Program has identified more than **1,700** unlicensed individuals and firms claiming to be CPAs or offering accounting or attest services to the public.

Although this program has been very successful, we know that there continues to be false or misleading advertising. There are approximately 75,000 licensed CPAs in Texas who can help protect the public from individuals and firms misrepresenting their qualifications.

If you suspect websites, signage, business cards, letterheads, or other marketing materials that are false or misleading, you may report it by calling:
